

Joint / Spliff

Inventor **God**

Releases serotonin and/or dopamine, the unfiltered smoke is bad for the lungs, the arteries etc. It is currently an illegal self-medication. From the medical point of view without consulting a doctor not the best idea. Because of the sedation the processing of consolidating experienced events is skipped, which will lead into a psychosis and reduces the resilience of the individual.

Use Cases

Can have a pain-relieving effect. Consumers show more ignorance that can help in some stress situations. The person focus more on the non-verbal communication.

Skeleton in the cupboard

Inventor **Satan**

Many city council have a Gypsy cemetery in the cellar (metaphor) or the state is responsible for the death of many peddlers directly or indirectly. So the CIA (MindControl since 1950s #MKULTRA Experiments) owned many jurisdictions: "We know what you did last summer". Often events and deeds which can not be corrected or expiated (deadlock), e.g. Murder or rape, where the victim then died, run Suicide or Amok... CH:#Verdingkinder DE:#Schwabenkinder

Use Cases

A global intelligence service can subdue whole cities with this "trick" => consequences: Tarot Card "The Tower" or many of them; Revision 2015 - PC Demo - Secret Society <https://www.youtube.com/watch?v=vU3qbXoIzW&t=2m45s>

TraumaBased Mind Control

8:13 AM - 31 May 2016

Inventor **Satan**

They burn a trauma into the victim's psyche, in order to be able to reactivate the trauma (reVictimizing ↔ Power => Power abuse). In Rombachtal 11/13 there are so far 7 killings by one of the owners, so he ordered someone else to make a bullet hole to distract from the relevant scenes that would bring the assassin into jail. Step two seems to be, that the Killer bought the Judge.

Use Cases

If someone would find the "surveillance" infrastructure, and could proof that this surveillance does not just listen, the owner could not deny his complicity anymore. reVictimizing with simple gun shot sound

Scheme of childlike characteristics

Inventor **Satan/Communism/Advertising industry**

As with the Limbic System Vulnerability Hack, our brain is susceptible to the cute appearance of children. This is "used" by advertising as well as by social systems. scientifically spoken: It is about "Wahrnehmungpsychologie", the shape of the head, which also reminds us to Kind classmate in our childhood

Use Cases

Sociopaths Ignorantly don't care about childrens future, if they can sell more junk they would even roast a child (just with an active denial system of course) if they can make more profit...

Limbic System Vulnerability

Inventor **Satan / Capitalism / Advertising Industry**

Since we are genetically still over 90% identical to our ancestors that were driven by the limbic system (Neandertals, Monkeys, RUST™ Bots) our brain is vulnerable eg. to fat food, sex, slides. This is used by advertising industry, but also "used" for imposing your will on others.

Michael Foucault: "Human body and the human disposition in terms of the priority of sexual desire" (Euphemism)

Use Cases

A Sociopath does not care about the sexual integrity of others, his primary focus is to sell crap and he would also abuse the SCC BDSM card and ignore resulting consequences

thrunky the elephant

Inventor **Satan**

The trunk can be interpreted by other children (that were abused by a pedophile) as phallic symbol, so the Rape could be virtually revived again (reVictimizing) and the victim would then maybe hate the kid with Elephant-Plush more, than the initial pedophile offender, depending on the "exposure time" of the Elephant...

Use Cases

For Kids that were not victim of abuse as multi-functional as a normal Plush
